2012 Annual Meeting of the Florida Society of Neurology

Featuring:

♦ Advances in Neurology: Neurology Across the Lifespan, including the 7th Annual Florida Neurology Resident’s & Fellow’s Research Day

♦ Neurology for the Non-Neurologist: Recognize Common Neurology Symptoms

♦ The 38th Annual Course in Neuropsychology and Behavioral Neurology: Disconnexion Syndromes 2012

September 28-30, 2012
Rosen Shingle Creek
9939 Universal Blvd.
Orlando, FL
The Florida Society of Neurology is pleased to present the 2012 Annual Meeting of the Florida Society of Neurology. This meeting will be held in Orlando, Florida, September 28-30, 2012, at the Rosen Shingle Creek. The program is a 3 day conference with an array of educational tracks being offered. The Florida Society of Neurology is proud to have the following offerings this year:

- Advances in Neurology: Neurology Across the Lifespan, including the 7th Annual Florida Neurology Resident’s & Fellow’s Research Day
- Neurology for the Non-Neurologist: Recognize Common Neurology Symptoms
- The 38th Annual Course in Neuropsychology and Behavioral Neurology: Disconnexion Syndromes 2012

People with childhood illnesses survive into adulthood. This year’s meeting fills an educational gap by focusing on a unique program of Neurology through the Ages from childhood to adolescence and transitioning to adulthood and geriatrics. We are also offering two special & unique complimentary sessions this year:

- Health Advocacy Town Hall, Friday 9/28 at 5pm. So much is changing in health care and you are affected by local state issues. Sit down with the presidents of the FMA, FOMA, FSN and outreach to world neurology. It will be well worth your time coming early to the meeting.
- The Business of Medicine, Friday 9/28 at 6:30pm. As finances shift, you will want to stay updated. Join us for this complimentary program and bring your office managers.

There is a little something for everyone at our meeting!

LEARNING OBJECTIVES

At the conclusion of this session, participants will have received current information on a diversity of medical topics pertinent to patient care in Neurology. Subject matter was chosen based upon assessed needs, future trends and relevance to patient care. Many topics were chosen as a direct result of the evaluations from last year’s program, the planning committee for the behavioral course, the education workgroup of the Florida Society of Neurology, and the board of the Florida Society of Neurology. At the end of the three parallel sessions:

- The Florida Neurologist will be updated and will acquire the necessary skills to perform procedures needed in today’s practice of neurology, such as EMG, polysomnology, and chemodenervation.

LEARNING OBJECTIVES, CONT.

♦ The Florida General Practitioner will know how to recognize, localize, and treat common neurological disorders, and gain exposure to the essential neurologic exam and the cognitive examination for higher brain function.
♦ The Behavioral Specialist will be updated with the most recent research advances to cognitive changes in traumatic brain injury.
♦ The Florida Neurologist-In-Training will have further developed the skills of analytical thinking and appreciate the value of life-long learning, our yearly goal.

LOCATION & HOTEL RESERVATIONS

Rosen Shingle Creek, opened September 9, 2006, is one of the largest full-service conventional hotels in Central Florida. The 230-acre hotel offers 1,501 guest rooms and suites, and 445,000 square feet of dedicated, flexible meeting/event space that includes one of the nation's largest column-free ballrooms at 95,000 sq. ft. Awarded the AAA Four Diamond designation annually since 2008, the hotel offers an array of amenities such as The Spa at Shingle Creek, a full-service, 13,000-square-foot spa with nine treatment rooms and a state-of-the-art Fitness Center, an 18-hole, par 72 (7,149 yard) championship golf course ranked one of the “Top 40 Best New Courses in the U.S.” by Golfweek Magazine, fourteen dining/lounging options, four outdoor swimming pools, two lighted tennis courts, basketball, nature and jogging trails, seasonal fishing, a sand volleyball court and more.

A block of rooms has been reserved for session attendees at a rate of $129.00 plus tax per night for reservations made before August 28, 2012. This special rate includes self-parking, which is normally $16 per day. There are only a limited number of rooms available at this rate, so please make your reservations early. To make reservations, please call 1-866-996-6338 and mention the conference name when making your reservations. Reservations may also be made online at: https://reservations.ihotelier.com/crs/g_reservation.cfm?groupID=746866&hotelID=6840.
DISCLOSURE

This educational program has been made possible by unrestricted educational grants from various pharmaceutical companies. A list of faculty disclosures will be provided in the final program.

Don’t miss the Saturday night FSN Social! Relax, listen to music and have fun for the whole family. You won’t want to miss Mark Klafter’s great band, Relay, as we rock the night away.

EDUCATIONAL CREDITS

Physicians: The Florida Medical Association is jointly sponsoring this event with the Florida Society of Neurology. This activity has been approved for AMA PRA Category 1 Credits.™

10:30am Improving Mobility & 5:00pm Neurology Grand Rounds (**) This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACGME) through the joint sponsorship of Interstate Postgraduate Medical Association and Academic CME. IPMA is accredited by the ACCME to provide continuing medical education for physicians. The Interstate Postgraduate Medical Association designates these live activities for up to 2.0 AMA PRA Category 1 Credits.™

Lunch CME Program: Chronic Migraine (****) These activities have been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACGME) through the joint sponsorship of the University of Utah and Academic CME. The University of Utah is accredited by the ACCME to provide continuing medical education for physicians. The University of Utah designates this live activity for up to 1.0 AMA PRA Category 1 Credit.™

Nurses: Orlando Health is an Approved Provider of continuing nursing education by the Florida Board of Nursing (Provider Number FBN 2459). Orlando Health is an Approved Provider of continuing nursing education by the North Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation (AP 085).

Psychologists: This program is co-sponsored by The University of Florida Department of Clinical and Health Psychology and The Florida Society of Neurology. The University of Florida Department of Clinical and Health Psychology is approved by the American Psychological Association to offer continuing education for psychologists. The University of Florida Department of Clinical and Health Psychology maintains responsibility for the program and its content. (Psychology credits only available for the main sessions of The 38th Annual Course in Neuropsychology and Behavioral Neurology: Disconnexion Syndromes 2012.)

CANCELLATION POLICY

Cancellation notification must be made in writing (fax and email are acceptable) and received by September 1, 2012. A cancellation fee of $25 will be assessed. Cancellations received after September 1 will not be refunded, nor will “no shows”. Substitutions are welcome without penalty. Please allow up to three weeks after the conference for any refunds.

FSN reserves the right to cancel this activity due to unforeseen circumstances, in which the full registration will be refunded. FSN will not be responsible for travel expenses incurred by participants in the unlikely event that the program is cancelled.

♦ The FSN reserves the right to change or substitute speakers / lectures as necessary.
Optional Programs

Friday, September 28, 2012

❖ 5:00pm-6:30pm Health Advocacy Town Hall, Daniel Kantor, MD, Michael Finkel, MD, Hal Pineless, DO, & Miguel Machado, MD (No CME) (No Fee)
❖ 6:30pm-8:00pm The Business of Medicine, Ramon Gil, MD (No CME) (No Fee)
❖ 8:00pm-9:30pm Heilman Video Conference (CME available) (No Fee)

Saturday, September 29, 2012

12:00pm
❖ Lunch CME Program Chronic Migraine Today: Management Strategies for the Neurology Practice, Francis Conidi, DO & Daniel Kantor, MD (CME available) (No Fee—RSVP required)
  Sponsored by University of Utah and AcademicCME/Neuroscience Alliance

3:30pm-5:00pm
❖ Sports Concussion Training, Francis Conidi, DO & Daniel Kantor, MD (CME available)
  $50 for neurologists & other physicians
  $35 for FSN members & other allied health care providers
❖ Neurology Board Review, Charles Brock, MD (CME available)
  Complimentary for Residents, Fellows, & Medical Students
  $50 for neurologists & other physicians
  $35 for non-physicians & retired physicians

5:00pm
❖ Neurology Grand Rounds: Challenging Cases in Multiple Sclerosis Management, Kottil W. Rammohan, MD & Stanley Krolczyk, DO (CME available) (No Fee)
  Sponsored by Interstate Postgraduate Medical Association and AcademicCME/Neuroscience Alliance

PRICING:
Physicians, Non-FSN Members.................................................................$200.00
Neurologists, FSN Members.................................................................$150.00
Non-Physicians & Retired Physicians.................................................$150.00
Trainees & Course Auditors (No Educational credits)..........................$50.00
Half Day Sessions are also available:
Physicians, Non-FSN Members..........................................................$100.00 per 1/2 day
FSN Members, Non-Physicians & Retired Physicians......................$75.00 per 1/2 day
The 38th Annual Course in Neuropsychology and Behavioral Neurology: Disconnexion Syndromes 2012
Director: Glen Finney, MD

Friday, September 28, 2012
8:00am Introduction of Connectivity and Disconnexion, Glen Finney, MD
8:15am Anatomical Background of Connexions, Jeremy Schmahmann, MD
9:00am Neuropathology of Disconnexion, TBD
9:45am Coffee Break
10:15am Neuroimaging of Connexions, Jeffrey Bennett, MD
11:00am Roundtable discussion with Drs. Finney, Schmahmann, Yachnis, Bennett
11:45am Lunch (on your own)
1:30pm Disconnexion Disorders of Episodic Memory, Adam Falchook, MD
2:15pm Disconnexion Apraxia and Alien Hands, Kenneth Heilman, MD
3:00pm Cerebellar Disconnexion and Cognitive Disorders, Jeremy Schmahmann, MD
3:30pm Cerebellar Disconnexion and Cognitive Disorders, TBD
4:15pm Roundtable discussion with Drs. Falchook, Heilman, & Schmahmann
5:00pm Optional Session: Health Advocacy Town Hall, Daniel Kantor, MD, Michael Vinken, MD, Hal Pinches, DO, & Miguel Machtado, MD (No CME) (No Fee)
6:30pm Optional Session: The Business of Medicine, Ramon Gil, MD (No CME) (No Fee)
8:00pm Heilman Video Conference
9:30pm Adjourn for the evening

Saturday, September 29, 2012
8:00am Introduction, Glen Finney, MD
8:15am Executive Disorders of Disconnexion, Catherine Price, PhD
9:00am Disconnexion Agnosias, Russell Bauer, PhD
9:45am Research Day Poster Session
10:30am Improving Mobility and Function: A Collaborative Team Approach, Daniel Kantor, MD
11:30am FSN Business Meeting
12:00pm Lunch CME Program:
Chronic Migraine Today: Management Strategies for the Neurology Practice, Francis Comella, DO & Daniel Kantor, MD***
Roundtable discussion with Drs. Price, Bauer, & Nadeau
Poster Session II
3:00pm Break
3:30pm Psychology Mini-Course (Extra Fee), Russell Bauer, PhD
4:15pm Roundtable discussion with Drs. Finney, Schmahmann, Yachnis, Bennett
5:00pm Optional Session: Health Advocacy Town Hall, Daniel Kantor, MD, Michael Vinken, MD, Hal Pinches, DO, & Miguel Machtado, MD (No CME) (No Fee)
6:30pm Optional Session: The Business of Medicine, Ramon Gil, MD (No CME) (No Fee)
8:00pm Heilman Video Conference
9:30pm Adjourn for the evening

Sunday, September 30, 2012
8:00am Introduction, Glen Finney, MD
8:15am Autonomic & Affective Disconnexion Disorders, John Williamson, PhD
9:00am Head Trauma and Diffuse Disconnexion, TBD
9:45am Faculty Poster Session
10:30am Optional CME Program ** (Refreshments served) or Lunch on your own
11:15am Roundtable discussion with Drs. Williamson, TBD, & Finney
12:00pm Lunch CME Program:
Sclerosis Management Challenging Cases in Multiple Sclerosis, John Williamson, MD & Amanda Avila, MD
3:30pm Optional Sessions—See next page

CME, Contact Hours for Nurses, & Psychology credits available for the above courses.

PRICING:
Physicians, Non-FSN Members..................................................$400.00
Physicians, FSN Members..................................................$300.00
Non-Physicians & Retired Physicians...................................$300.00
Trainees & Course Auditors (No Educational credits).............$50.00

Half Day Sessions are also available:
Physicians, Non-FSN Members..................................................$100.00 per 1/2 day
FSN Members, Non-Physicians & Retired Physicians..............$75.00 per 1/2 day

LEARNING OBJECTIVES, CONT.

♦ The Florida General Practitioner will know how to recognize, localize, and treat common neurological disorders, and gain exposure to the essential neurologic exam and the cognitive examination for higher brain function.
♦ The Behavioral Specialist will be updated with the most recent research advances to cognitive changes in traumatic brain injury.
♦ The Florida Neurologist-In-Training will have further developed the skills of analytical thinking and appreciate the value of life-long learning, our yearly goal.

LOCATION & HOTEL RESERVATIONS

Rosen Shingle Creek, opened September 9, 2006, is one of the largest full-service conventional hotels in Central Florida. The 230-acre hotel offers 1,501 guest rooms and suites, and 445,000 square feet of dedicated, flexible meeting/event space that includes one of the nation’s largest column-free ballrooms at 95,000 sq. ft. Awarded the AAA Four Diamond designation annually since 2008, the hotel offers an array of amenities such as The Spa at Shingle Creek, a full-service, 13,000-square-foot spa with nine treatment rooms and a state-of-the-art Fitness Center, an 18-hole, par 72 (7,149 yard) championship golf course ranked one of the “Top 40 Best New Courses in the U.S.” by Golfweek Magazine, fourteen dining/lounging options, four outdoor swimming pools, two lighted tennis courts, basketball, nature and jogging trails, seasonal fishing, a sand volleyball court and more.

A block of rooms has been reserved for session attendees at a rate of $129.00 plus tax per night for reservations made before August 28, 2012. This special rate includes self-parking, which is normally $16 per day. There are only a limited number of rooms available at this rate, so please make your reservations early. To make reservations, please call 1-866-996-6338 and mention the conference name when making your reservations. Reservations may also be made online at: https://reservations.ihotelier.com/crs/g_reservation.cfm?gID=746866&hotelID=6840.
The Florida Society of Neurology is pleased to present the 2012 Annual Meeting of the Florida Society of Neurology. This meeting will be held in Orlando, Florida, September 28-30, 2012, at the Rosen Shingle Creek. The program is a 3 day conference with an array of educational tracks being offered. The Florida Society of Neurology is proud to have the following offerings this year:

- Advances in Neurology: *Neurology Across the Lifespan*, including the 7th Annual Florida Neurology Resident’s & Fellow’s Research Day
- Neurology for the Non-Neurologist: *Recognize Common Neurology Symptoms*
- The 38th Annual Course in Neuropsychology and Behavioral Neurology: *Disconnexion Syndromes 2012*

People with childhood illnesses survive into adulthood. This year’s meeting fills an educational gap by focusing on a unique program of Neurology through the Ages from childhood to adolescence and transitioning to adulthood and geriatrics. We are also offering two special & unique complimentary sessions this year:

- Health Advocacy Town Hall, Friday 9/28 at 5pm. So much is changing in health care and you are affected by local state issues. Sit down with the presidents of the FMA, FOMA, FSN and outreach to world neurology. It will be well worth your time coming early to the meeting.
- The Business of Medicine, Friday 9/28 at 6:30pm. As finances shift, you will want to stay updated. Join us for this complimentary program and bring your office managers.

There is a little something for everyone at our meeting!

**LEARNING OBJECTIVES**

At the conclusion of this session, participants will have received current information on a diversity of medical topics pertinent to patient care in Neurology. Subject matter was chosen based upon assessed needs, future trends and relevance to patient care. Many topics were chosen as a direct result of the evaluations from last year’s program, the planning committee for the behavioral course, the education workgroup of the Florida Society of Neurology, and the board of the Florida Society of Neurology. At the end of the three parallel sessions:

- The Florida Neurologist will be updated and will acquire the necessary skills to perform procedures needed in today’s practice of neurology, such as EMG, polysomnology, and chemodenervation.
